### AUTOGATE FACILITY FOR INTERNATIONAL STUDENTS TO ENTER MALAYSIA

#### 1. PURPOSE

- 1.1 The Malaysian Government is pleased to announce that, starting from 1st June 2024, international travelers from 63 countries will be able to use the autogate facility to enter Malaysia. This initiative aims to alleviate the long waiting lines for immigration clearance, particularly at KLIA Terminals 1 and 2.
- 1.2 The purpose of this bulletin is to provide information relating to the use of the autogate facility for international students entering Malaysia upon obtaining their eVAL.

#### 2. IMPLEMENTATION

- 2.1. Kindly note that international students entering Malaysia upon obtaining their eVAL **should visit the immigration counters to complete their immigration clearance.**
- 2.2. Once international students have obtained their student pass on their passports, they can use the autogate facility for their departure out and their reentry into Malaysia.
- 2.3. International students who are using the autogate facility must submit the online verification (sample shown below) from the Immigration website to their institution. The online verification can be accessed at <https://imigresen-online.imi.gov.my/mdac/register?viewVisitPass> by entering their personal details.
